The purpose of this event is to help educate AA members in Area 52 of their role, responsibilities, duties, and how to best serve their group and its members. All new GSRs are encouraged to attend. The course consists of a run through of the General Service Structure of Alcoholics Anonymous, with an emphasis on the GSR's relationship to the Group, District, Area and the General Service Conference in an informal setting designed to encourage participation from attendees

We encourage any member who would like more information for themselves, other members, or their group, to attend our workshop!

The doors will open at **9am**. *Lunch will be provided.* Hope to see you then!
